

# Facebook Advertising Agreement

*Thank you for your interest in a Chamber Sponsored Facebook Ad*

Our Facebook Advertising is an opportunity to promote your business to both Brookfield Chamber members and the general public. We limit Facebook ad posts to one per day. Depending upon other Chamber events scheduled for that day (Business Connection, Business After 5), your first choice of day of the week may not be available. WE will confirm if the date you have selected is available, or unavailable.

We offer two different options when advertising on Facebook. Please select which option you would like. Upon making your selection, see below for details on each.

- GBCC will post your ad on our page
- GBCC shares my post that has previously been distributed on Facebook

If you selected option one, please send your completed form, PNG/JPG ad, and brief description (40 - 80 characters written in 3rd person) to [bcc@brookfieldchamber.com](mailto:bcc@brookfieldchamber.com).

If you selected option two, please send your completed form and a screenshot of the post that is to be shared to [miranda@brookfieldchamber.com](mailto:miranda@brookfieldchamber.com).

## AD SIZE

We will send you a "sample" of a previous ad so you can see the layout space. This ad is just for you – so you can design the ad however you like\*. If sending a logo, please send in EPS or JPEG format. All ads will be seen in full color as you send them to us.

\* Please note that the GBCC reserves the right to deny posting of submitted ads for any reason.
