Special Edition Email Blast Agreement

Thank you for your interest in a Special Edition Email Blast, reaching over 2,000 Brookfield Chamber members

We limit Special Edition Email Blasts to one per week. Depending upon Chamber emails scheduled for the week, your first choice of day of the week to have your message sent may not be available. We will not send a Special Edition Email Blast on a Tuesday, as the Chamber's Tuesday Newsletter is sent that day. **We will confirm if the date you have selected is available after checking the date requested against our calendar.**

We will send you a "sample" of a previous ad so you can see the layout space. This ad is just for you – you provide the subject line, you design the ad however you like*. If you have a flyer already made, please email to miranda@brookfieldchamber.com as a picture file. We can also add a link to a website. For example, this link could be used for a registration page for an event you're holding.

* **Please note that the GBCC reserves the right to deny posting of submitted ads for any reason.**
